

## Teaching TIP - COMPARATIVE AND SUPERLATIVE FORMS

**Purpose:** I designed this tip to help students learn the correct forms of the comparative and superlative adjectives

**Materials:** This worksheet, pen

**Time needed:** up to thirty minutes

**How to modify the activity:** the activity can be easily modified to include various other tasks. For example the students can cut the individual lines and columns and then they can try to match the basic form with the comparative and superlative form of a give adjective

Basic	Comparative	Superlative
Good	Better	<b>The best</b>
Bad	Worse	<b>The worst</b>
Far	Further/farther	<b>The farthest (furthest)</b>
Little	Less	<b>The least</b>
Many, much	More	<b>The most</b>
Hot	Hotter	<b>The hottest</b>
Pretty	Prettier	<b>The prettiest</b>
Beautiful	More beautiful	<b>The most beautiful</b>
